

AMENDMENTS TO THE DRAWINGS

The attached sheet of drawings includes changes to FIG. 9.

Attachment: Replacement Sheet

REMARKS

This is intended as a full and complete response to the Office Action dated July 9, 2010, having a shortened statutory period for response with a one month extension set to expire on October 9, 2010. Please reconsider the claims pending in the application for reasons discussed below.

Claims 1-26 are pending in the application and remain pending following the entry of this response.

Drawings

The drawings are objected to under 37 CFR 1.83(a) as reference numerals are missing in figure 9. Applicants submit a replacement sheet that adds reference numerals 902, 904, 906, 908, and 910. Accordingly, Applicants submit the drawings satisfy 37 C.F.R. 1.83(a) and request withdrawal of this objection.

Specification

Applicants have added new paragraph [0117] corresponding to the replacement sheet noted above. Applicants respectfully submit that this amendment to the specification does not introduce new matter and is supported, for example, in original claim 1.

Allowable Subject Matter

Applicants thank the Examiner for allowing claims 1-26.

CONCLUSION

Having addressed all issues set out in the Office Action, Applicants respectfully submit that the claims are in condition for allowance and respectfully request that the claims be allowed.

Dated: October 4, 2010

Respectfully submitted, and
S-signed pursuant to 37 C.F.R. 1.4,
